25X1 1. [REDACTED] The FBI is under a court order to release 40,000 pages of documents a month to the sons of Ethel and Julius Rosenberg, the convicted atomic bomb spies. This practice will continue until the supply of FBI documents has been exhausted.

NOTE FOR: LLM  
FROM : PLC

25X1 [redacted] spoke to me about [redacted] 25X1  
request for her services. She apparently is absolutely  
invaluable to the project. I see no problems if she is  
used only after hours and on weekends, though I felt this  
might put strong demands on her health. She said she has  
done this many times in the past.
